

This user optical socket allows the connection of individual apartments to the vertical access fiber optic network. Small and aesthetically pleasing, the termination inside the socket can be achieved via a 900 µm pigtail with SC/APC Splice-on Connector, or with a field-installable SC/APC connector. It can easily host up to 4 fibers.

PRODUCT CODE

WO-4F/ 4 FO OTO

TECHNICAL FEATURES

N. OF ADAPTERS	4
ADAPTER TYPE	SC/APC Simplex
MATERIAL	ABS
COLOR	White
HEIGHT	28,8 mm
WIDTH	100,6 mm
DEPTH	80,6 mm
